

The mood for Spring 2026 is color.
Sun-faded saffron and curry mixed with swimming pool petrol
and teal; washed mint pushed against electric pink.

The silhouettes are relaxed and versatile. Easy pieces that move
between city, beach, and everywhere in between. Familiar
shapes, refreshed through color and lightweight texture.

Built around the same spirit that defines PARADISED, the
menswear leans into nonchalance, optimism, and quiet
confidence. Clothes designed to feel effortless, lived-in, and
ready for whatever the day turns into.
